Auctioneers would like access at 8:30 AM. L. Parker needs to contact attorney for a generic memorandum of agreement to use that day. **New Business**

- J. Bailey mentioned how we are coming into the budget season. All departments need to start preparing. Board is hoping each Department Head to have to only meet once with the Board and Budget committee all at once.
- Property offers- L. Parker spoke about a property on Deer Run that there was an offer on over a month ago. Since the town has not owned this property for three years, notification had to be sent to the previous owner giving 30 days to reply. Those 30 days is up with no reply. M. Schwarz motions to accept the bid made for Map 18 Lot 56. J. Hotchkiss seconds, all in favor. Offer on properties on Pond Road, discussion was to not accept at this time, wait for the auction. L. Parker brought up the property from the last meeting on Pine Ridge Road. We will direct the individual to the auction.
- Police computers- Last year \$8,000 was added to the new equipment/computer line for a new server for the police department. They decided to go another route and connect to Strafford County directly, so no need for the server. Sgt. Brown would like to propose buying mobile computers with mounts for three of the cruisers. This cost would be \$6,865. He would like to use the money saved from not purchasing the server. Discussion had and the BOS would like to look at the budget before making a decision. L. Parker mentioned that the lights for the new cruiser were supposed to be paid for with the server savings. BOS would like to review past meeting minutes for clarity. Tabled till tomorrow when BOS will review budget.
